

PRESSALIT®

NEW

INSPIRA UNI TOILET SEATS

Welcome to Inspira Uni - proof of a thoroughly considered, re-thought and innovative design. Clean lines and yet both lively and dynamic. A seat, which in shape and function is light and simple, fascinating and also challenging in its design. Two elements fused together in one elegant expression.

World-class Danish design that lifts the look in a stylish bathroom.

Designed by Knud Holscher.

reddot design award

Timeless, elegant and functional

Its clean lines and dynamic design make it possible to bring new dimensions into the contemporary and stylish bathroom. Inspira Uni boasts a completely unique design that sets it apart from other toilet seats.

Appearance, comfort and functionality unite in a thoughtful design with details that make the seat an exclusive choice where nothing has been left to chance. The vibrant, dynamic design is at once fascinating and challenging, offering endless elegance.

Easy cleaning with lift-off

Optimise hygiene with lift-off. The toilet seat lifts effortlessly and makes cleaning both easier and more effective.

Soundless comfort with soft close

The light and elegant soft close feature makes it possible to add an extra dimension to the comfort experience - soundlessly.

MADE IN DENMARK

reddot design award

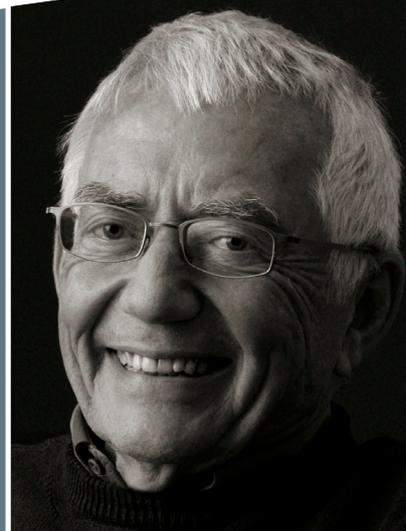

Award-winning design

Inspira Uni represents world-class Danish design and has received the prestigious Red Dot Design Award for its one-of-a-kind design.

About the designer

Inspira Uni was created for Pressalit by Knud Holscher, considered by many to be Arne Jacobsen's successor. Versatility, simplification and perfected proportions are evidence of this striking relationship and are manifested in proud Danish design.

PREMIUM BATHROOM SOLUTIONS SINCE 1954

Pressalit A/S is a Danish privately owned company with production facilities in Ry, Denmark. Since 1954, we have been designing and producing toilet seats of the highest quality. And since 1975, Pressalit has also been developing accessible bathrooms and height adjustable kitchen solutions for people with reduced mobility. This has made us one of the world's leading manufacturers of premium bathroom solutions. High quality, flawless design and reliable functionality are the core features of our wide range of products.
