PRESSALIT®

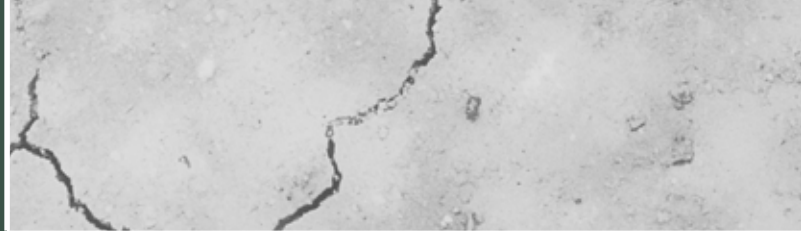

NEW

Pressalit Trend Toilet Combi Pack

- The Perfect Match

The Pressalit Trend Combi Pack gives you both a wall-hung toilet bowl and a matching seat, in a sleek design and uncompromising quality. Choose from three variants, all offering a perfect fit and outstanding comfort. The modern D-shape and the quiet Circular Flush technology complete a solution that combines elegance, functionality, and hygiene.

- » Wall-hung toilet and seat in perfect harmony – designed for each other to ensure optimal comfort and fit
- » Rimless toilet bowl with Circular Flush – efficient, hygienic, and easy to clean
- » Silent flush without splashing – clean and comfortable every time
- » Quick and secure installation – with the user-friendly Singlefix system

Pressalit Trend wall-hung toilet bowl with **Circular Flush**

– Revolutionary flushing technology

The wall-hung toilet bowl Pressalit Trend combines clean, elegant lines with outstanding functionality. It is equipped with the innovative and quiet Circular Flush, where water is efficiently guided around the bowl from a front-positioned inlet. This creates a uniform, harmonious interior and an effective flush without splashing.

The rimfree design prevents dirt and bacteria from accumulating, making cleaning easier and more hygienic. In addition, the bowl is coated with an extremely smooth, high-quality glaze that resists deposits and keeps its clean appearance for many years.

Installation is quick and simple thanks to

the fixing system with an effective locking mechanism, allowing one-person installation without additional help.

Supplied with a flush limiter to optimise water consumption.

Technical specifications

Product name: Pressalit Trend

Colour: White (glossy)

Installation: Wall – Singlefix

Rim: Rimfree

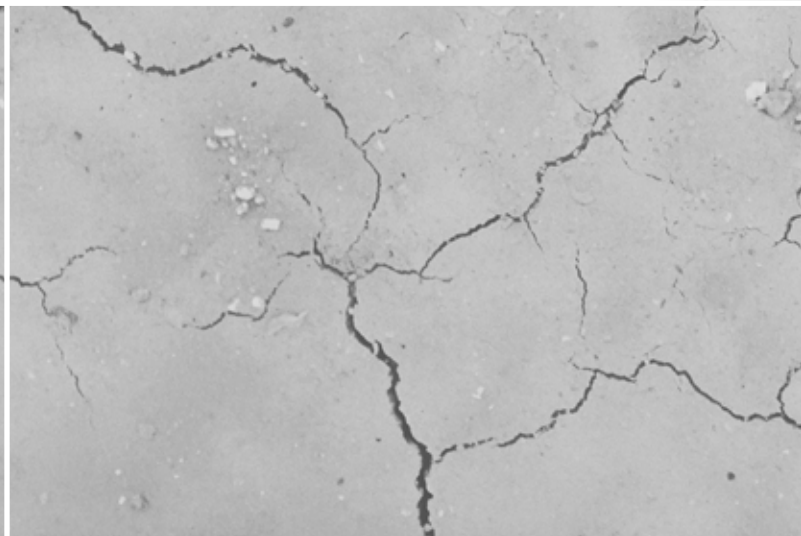

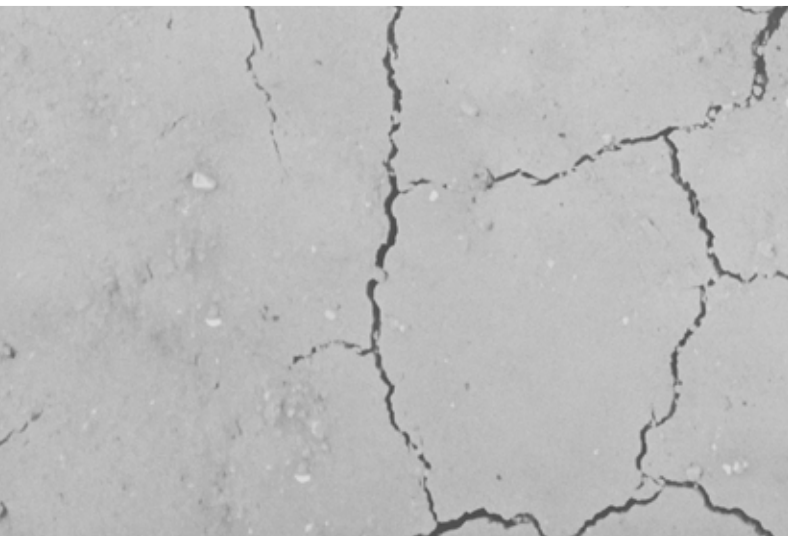

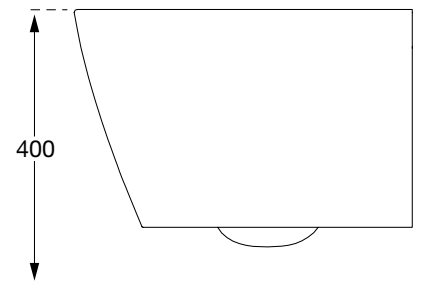

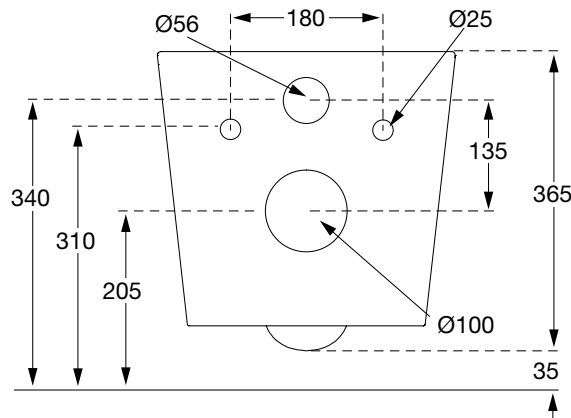

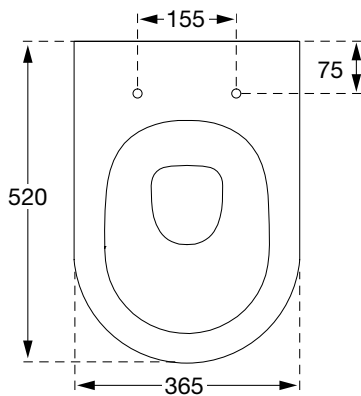

Certificates: EN997

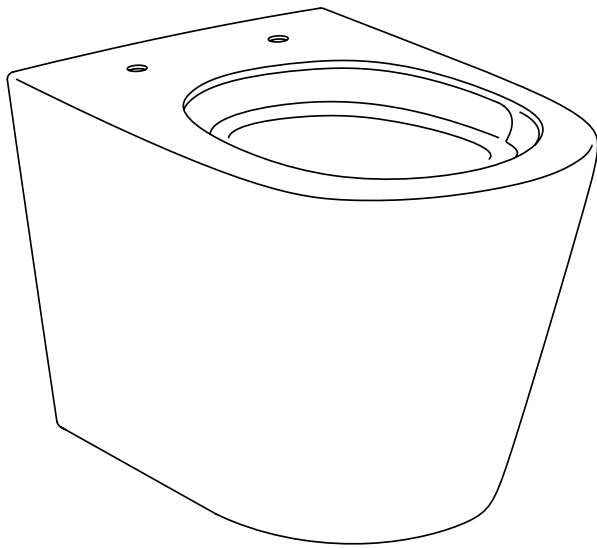

Mounting hole distance: 180 mm

PREMIUM BATHROOM SOLUTIONS SINCE 1954

Pressalit A/S is a Danish privately owned company with production facilities in Ry, Denmark. Since 1954, we have been designing and producing toilet seats of the highest quality. And since 1975, Pressalit has also been developing accessible bathrooms and height adjustable kitchens for people with reduced mobility. This has made us one of the world's leading manufacturers of premium bathroom solutions. High quality, flawless design and reliable functionality are the core features of our wide range of products.
