INDIVO Pack

Making accessibility a natural part of everyday life

Accessibility is the key to an inclusive society where everyone – regardless of physical abilities – can participate in social activities, education, and daily tasks. Height-adjustable tables make a significant difference in the daily lives of people with disabilities and enhance their independence.

LET'S MAKE ROOM FOR PEOPLE

Make accessibility simple – with ease

For wheelchair users, fixed installations in kitchens, schools, and public spaces can be a barrier. However, with the INDIVO Pack from Pressalit, accessibility becomes a simple and flexible solution. Our innovative package solution makes it easy to order the right components to ensure a quick trouble-free installation – helping you create a more accessible and inclusive environment in no time.

- Easy to order – one pack contains all you need (excl. worktop)
- Easy to install and adjust to size on site
- Work surfaces with or without sinks and hobs can be easily fitted on Indivo frames (these items are not included in the pack)
