INDIVO Pack

Making Accessibility a Natural Part of Everyday Life

Accessibility is the key to an inclusive society where everyone – regardless of physical abilities – can participate in social activities, education, and daily tasks. Height-adjustable tables make a significant difference in the daily lives of people with disabilities and enhance their independence.

LET'S MAKE ROOM FOR PEOPLE

Make Accessibility Simple - with Ease

For wheelchair users, fixed installations in kitchens, schools, and public spaces can be a barrier. However, with the INDIVO Pack from Pressalit, accessibility becomes a simple and flexible solution. Our innovative package solution makes it easy to order the right components to ensure a quick trouble-free installation – helping you create a more accessible and inclusive environment in no time.

- Easy to order – one pack contains all you need (excl. countertop)
- Easy to install and adjust to size on site
- Work surfaces with or without sinks and stoves can be easily fitted on INDIVO frames (these items are not included in the pack).

Tailored Flexibility - Anywhere

With the INDIVO Pack, you can easily create the perfect workstation. It comes in three sizes – small, medium, and large – and two weight categories, 220 lbs and 330 lbs, so you can choose the size that best fits your needs. Adjust the height with a single press of a button and experience ultimate flexibility in a wide range of environments:

- **Private Homes** – Create an ergonomic and user-friendly kitchen where everyone can participate, regardless of age or mobility.
- **Schools and Institutions** – Adjustable work surfaces ensure that all students can take part in lessons on equal terms – from school kitchens to science labs.
- **Care Homes** – A flexible kitchen solution that supports various needs and makes everyday life easier for both residents and staff.
- **Bars and Restaurants** – Create an inclusive experience for all guests, whether they are standing or seated at the bar.
